Dear Shane Scamahorn,

Enclosed you will find \$1,000 as a token of our thanks for your community's support. This can be used at the school district's discretion for student activities.

Our youth represent the future in Southeast Alaska, and we are proud to support the excellent work you are doing to help our young people thrive. We look forward to many more years of friendship and partnership.

Sincerely,

Dave, Lauren, Zaide, & Zia Allen, Owners
