Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I am requesting approval to submit grant applications for the following: a Seismic Rehabilitation Grant for Evergreen Elementary - approximately \$2.5 million; a Seismic Rehabilitation Grant for Fort Vannoy Elementary for approximately \$2.5 million; a Technical Assistance Program grant for Asbestos Environmental Hazards Assessment for \$25,000; a Long-Range Facility Plan grant for \$25,000; and a Facility Assessment grant for \$20,000.

Provide history/background information on your proposal:

The Oregon Business Development Department is providing \$55 million in grant funding for Seismic Rehabilitation projects. The district has identified Evergreen Elementary and Fort Vannoy Elementary as the 2 schools that would benefit from this round of grant awards. Additionally, the State of Oregon is awarding \$25,000 grants for Asbestos Environmental Hazard Assessments; AHERA reports are required every 3 years; and Facility Assessment and Long-Range Facility Plan grants that will allow the district to update their current plan that expires in 2023.

List the advantages of your proposal:

By applying for these grants we hope to offset future costs to the district and take a pro-active approach to maintaining safe buildings.
