### Background:

The Study Items for the August 28, 2025 Special Board meeting are as follows:

#### F.1 Student Transportation Consulting Proposal

#### F.2 Sole Source Vendor List

#### F.3 Intergovernmental Agreement with Flowing Wells Unified School District

For the past several years, students from the Marana Unified School District have had the opportunity to participate in JROTC programming at Flowing Wells High School. This has typically been limited to a small number of students each year, with popularity in the opportunity increasing over the past couple of years. Historically, logistics related to record-keeping and tuition costs have been organized by the administration.

The goal of this action is to create a formalized agreement between the districts. MUSD and FWUSD have collaborated to draft an Intergovernmental Agreement that clearly articulates the roles and responsibilities of this relationship. The Agreement has been reviewed by legal counsel and is approved in its form.

#### F.4 Arizona School Boards Association Recommended Policy Manual Revisions

Attached, for review, are revisions to policies, regulations, and exhibits for the following sections:

Section B: School Board Governance and Operations

Section C: General School Admission

Section D: Fiscal Management

Approved for transmittal to the Governing Board:

Dr. Daniel Streeter, Superintendent
