RE: Selling Old Golden Wave Bus
DATE: October 9, 2007

Please request that the Board acknowledge and agree to sell the old Golden Wave Bus to the Carroll County School District. This bus has been through the Board Resolution process at the September 26, 2006 Board Meeting. At the September 24, 2007 Board Meeting, the minimum acceptable price was determined to be \$6,000. Dr. George Noflin has negotiated with the Carroll County School District in order to sell the bus at a price of \$6,500. The bus will be sold with no warranty or recourse.

The Tupelo Public School District is allowed to negotiate and sell assets to other school districts as set forth in Mississippi Code Annotated, 31-7-13, M, vi. and as stated in paragraph #2 of our resolution.

Please allow the Carroll County School District to purchase this obsolete bus at a price of \$6,500.
