Title: Superintendent

Subject: **Innovation Steering Committee**

Description: The goal is to create an Innovation Steering Committee to explore alternative/creative ways to educate our students.

The Innovation Steering Committee will be a coalition of stakeholders from across our organization that will guide and oversee the entire journey of innovation for us. They are responsible for driving the change process that will move the organization towards a culture that supports and sustains innovation; constantly monitoring it to make sure that it stays on track. The Innovation Steering Committee will be made up of members of administrators, community & board members, both certified/classified staff and students.

Financial Impact: To be determined after we have names of individuals interested in joining this committee
