RE: Donation to Deaf/Hard of Hearing Program

The Deaf/Hard of Hearing Program received a very generous donation of a Television (TV) Amplification System from Mr. Robert Turley of Geneva, Illinois. TV Amplification Systems allow a user to listen to the TV without disturbing others. They are ideal for people who may have a hearing loss, for watching late night TV, or even for listening to the TV in another room, depending on the TV listening system. The donations will be used with our students who are deaf/hard of hearing to allow access to multimedia instruction.
