### **SUBJECT:**

Resolution #25-16 allows for the compensation of district employees during the May 24<sup>th</sup> school day closure due to calendar adjustment.

### **RATIONALE:**

Schools were closed on May 24, 2025, due to calendar adjustment. Board Policy DEA (LOCAL) allows the Board the option to pay employees during an emergency by acting on a resolution that reflects the purpose served by the expenditure of funds. Also, during this time, some non-exempt employees may have been called upon to work. This resolution also authorizes the payment of these employees above their regular pay by .5 of their hourly rates per hour worked during the time considered in this resolution. These employees who may qualify are from the departments of Transportation, Child Nutrition, Maintenance and Technology.

### **RECOMMENDATION:**

It is the recommendation of the Administration that the Board approve Resolution #25-16.
