There is a link to the [District Wide Public Calendar](#) on the Activities Page of SISD.org. All activities will be posted on this calendar.

Highlight: Health Fair

We are the recipients of a grant: **Wellness Fairs & Activities Proposals** from the Prince of Wales Health Network under the fiscal agent of H.O.P.E. This funding was made possible through the **RCORP Program: FY 21 Implementation III HRSA RCORP Grant: GA142897**.

Our SISD Health Fair will be held on **April 10th from 9 AM to 2 PM** in the Thorne Bay Gym. We are working with many health and wellness partners to bring resources and information to all attendees. Each SISD Campus is invited to participate with students, as well as community members. **All are welcome to attend**. There will be amazing door prizes for all ages and a jump house for kids.

If you know of a resource or organization that might not have been included yet, please send contact information to Amanda at ablankenship@sisd.org.
