Vision Statement

We will be a school district that provides transformative learning experiences that mirror students' own stories, and where students will:

- Be equipped to meet rigorous academic challenges that build their capacity to pursue excellence,
- Embrace the humanity of all people and welcome diverse perspectives and voices, and
- Be supported by a caring community that sparks their curiosity and fuels their progress down a self-determined path.

New Ideas

Attract and Retain

- Enhance counter narratives- Tell stories and share “Bragging” points
- Continue to create a positive and equitable daily experience for students
- Targeted outreach to families interested in a virtual learning experience, such as exceptional athletes who compete nationally and internationally, medically fragile children

Even small positive shifts in thinking, create huge results if you are consistent in your efforts.
