Agenda Item Title: Approve the Memorandum of Understanding with Alamo Colleges - Community Work Study Program

From/Presenters: Rita Uresti, Executive Director of Human Resources

Description: The Alamo Colleges - Community Work Study (CWS) Program offers students who are recipients of federal work-study financial aid the opportunity to engage in community service activities that not only support their educational development but also encourage social responsibility. The program enables students to participate in community-based work that complements their academic studies and aligns with their career aspirations. By participating, students will gain valuable experience while contributing positively to the community.

Historical Data: South San Antonio ISD currently employs paid campus tutors to assist with classroom instruction and provide small group support. The partnership with the Alamo Colleges CWS program would allow the district to hire tutors at no cost to SSAISD, with the expenses covered by Alamo Colleges.
