2024-2025

Club Name Two is better than one Sponsor Sienna Speicher & Myranda Sinclair

Club Goals: This student-led club is Browning's version of the Warrior Movement, whose mission is to bring hope to those contemplating suicide (<https://www.jointhewarriormovement.com/>), and is intended to help students realize that they are not alone, that they have options other than suicide when they feel overwhelmed. The focus is on finding ways to brighten someone's day and help students at BHS feel more connected.

Some of the club goals are to continue spreading positive messages by laminating and completing the kind posters we started last spring, hang them up in the counseling center and the hallways, plan a few free hot chocolate/lemonade tables during lunch, and get our club together to come up with a few more ideas of how to help students feel better and connected here at BHS. We also hope to have our club attend a training on peer support/suicide prevention that we can use to strengthen their skills.

Proposed Meeting Dates: We will do our best to meet bi-monthly and the time will vary due to Mandy's schedule as well as mine. We will try to set a new goal each quarter to focus on in our building.

Summary of Proposed Club Activities: Come up with at least 4 or more activities to help students and staff feel connected and to brighten their days. This will either be kind messages, videos, posters, as well as free hot chocolate with kind messages written on the cups or free lemonade or snacks with encouraging messages and to create a more positive climate here at BHS.

All sponsors must keep sign-in sheets for ALL meetings and sign-in sheets will include the date of the meeting and SIGNATURES of STUDENTS attending. These sign-in sheets will be turned in at the end of the year prior to receiving the stipend.
