ACTION

BACKGROUND INFORMATION

Campuses, Departments and Site-Based Committees were involved in deliberating possible School Calendar options for 2013-2014. Most feedback indicated very little dissatisfaction with this year's Calendar, so that is where option drafts started. After discussion of these inputs, the District Site-Based Decision-Making Committee recommends draft Option C for 2013-2014

ADMINISTRATIVE RECOMMENDATION

Follow District SBDM recommendation to approve Calendar Option C for 2013-2014.
