RE: Mobile Classrooms (Holmes)

DATE: April 11, 2017

The Holmes expansion project was delayed until summer 2018. As a result, there is a need for temporary mobile classrooms. Specifically, a two classroom unit may be needed for the 2017-2018 school year. The unit will be leased.

Since the operations referendum question passed, the Holmes expansion will be constructed during the summer of 2018.

Pricing contains a unit that includes and excludes plumbing. Other considerations are also attached as presented by our architects. FAC will review the mobile unit information at its next meeting and make recommendations.
