East Chambers Board of Trustees:

Volleyball season is under way and our Lady Buc varsity team is currently sporting a record of 8-3 and our JV team has a record of 6-0.

JH volleyball is now practicing and will begin playing games next week. We have 59 JH volleyball players...8th graders-30, 7th graders-29.

After successful scrimmages vs Beaumont Kelly, Deweyville and DeQuincy, we are looking forward to our first non-district football game at Rice Consolidated.

JH football is practicing and will begin playing games very soon. We currently have 26 8th graders and 38 7th graders playing JH football.

HS and JH Cross country practice is now under way. We have 46 athletes running HS cross country and we have 37 athletes running JH cross country.

Thanks again for your support and I am looking forward to another excellent school year.

Sincerely,

Russ Sutherland
AD/Head Football Coach
