PROMOTING SCHOOL TO CAREERS TRANSITION

In order to enhance the Lyon County Board of School Trustees' goal of having each student who graduates for the district have a marketable job skill, it shall be the policy of the Lyon County School District to display seven (7) framed 8.5" by 11" pictures within 25 feet of the main entrance of each school in the district. Pictures will be displayed in a pleasing manner at each school. The pictures will be taken for the 12 job areas described in the *U.S. Department of Labor's Guide for Occupational Education*. Actual selection of the 7 pictures is that of the school principal. Each picture will contain a description of the job pictured. The description will also be taken from the above-cited publication.
