Item Name: DISCUSSION OF RFP #34-2025TB INDEPENDENT AUDITORS

Item Summary: The purpose of RFP #34-2025TB Independent Auditor is to identify and select a qualified independent auditor to conduct the district's annual financial audit in accordance with state and federal requirements. The selected firm will provide an objective review of the district's financial statements, internal controls, and compliance with regulatory guidelines to ensure fiscal accountability and transparency.

Engaging a highly qualified and independent auditing firm is critical to ensuring compliance with the Texas Education Code, Government Auditing Standards, and Generally Accepted Accounting Principles (GAAP). The audit findings will support board decision-making, financial planning, and public trust in the district's fiscal management.

Solicitation documents were sent to all qualified audit firms in the Region 4 area (Texas Education Agency's list of auditors). Proposals received were evaluated and ranked based on published requirements (rubric). In-person interviews will be held by the Board Budget/Finance Committee ("the committee"), and the committee will present a recommendation to the Board of Trustees in February 2026 for approval.

State law and Lamar CISD Board Policies require the engagement of an independent auditor to evaluate the District's internal control systems as well as audit the financial statements, each major fund, and the aggregate remaining fund information. In addition, the auditors will audit the District's compliance over major federal award programs for the year ended June 30, 2026. The auditors will provide interim and year-end fieldwork services and other required procedures and services as outlined in the engagement letter and as required by law.

Recommendation: Administration recommends that the Board of Trustees approve the named firm to provide independent audit services as presented.
