The District shall develop an annual appraisal calendar for teachers. Formal observations of teachers using the current Professional Development and Appraisal System (PDAS) shall be scheduled. Teachers may request a pre-observation conference.

EMPLOYMENT
DECISIONS

When relevant to the decision, written evaluations of a teacher's performance, as documented to date, and any other information the administration determines to be appropriate shall be considered in decisions affecting contract status.

For teachers, evaluative information shall include at least the PDAS to date and any additional applicable documentation.

EXCEPTION

Written evaluations and other evaluative information need not be considered prior to a decision to terminate a probationary contract at the end of the contract term.

REQUEST FOR SECOND
APPRAISALS

Upon the request by a teacher for a second appraisal, administrators shall contact the Human Resources Department. A representative of the Human Resources Department shall select the second appraiser from the list of PDAS appraisers approved by the Board. The teacher shall be given notice of the date and time of the second appraisal.

The scoring of each Domain in the first and second appraisal shall be calculated with a weight of 60 percent given to the first appraisal and a weight of 40 percent given to the second appraisal.

If the first appraiser has determined that an intervention plan is needed as a result of the initial appraisal, the plan shall remain in place and must be completed regardless of the results of the second appraisal.

FREQUENCY OF
APPRAISALS
