A school district requesting reconsideration of its eligibility determination, the priority ranking assigned to a project, its scope as approved by the department, or the project's budget, or denial of waiver of local contribution requirement, shall file, not later than November 30, 2021, at 4:30 p.m., a written request for reconsideration that states:

- the specific objection;
- a summary of evidence that the department erred in its eligibility determination, priority ranking of the project, the scope of the project allowed, or the amount of the project budget approved; and
- the relief sought.

A district may request reconsideration without attending the public hearing, but the request must be received by the department no later than the closing time of the public hearings. Oral and written comments should focus on how the department erred in ranking a project, in determining allowable scope of a project, or in determining the approved amount of a project budget.
