FOR IMMEDIATE RELEASE

Illinois Principals Association Encourages Principal Appreciation in October

Springfield, IL – Lifetouch and the Illinois Principals Association (IPA) encourage all communities in Illinois to celebrate Principal Appreciation Week October 24-30, 2021, and Principal Appreciation Day on Friday, October 29, 2021. This state-endorsed recognition was first approved by the Governor of Illinois in 1990 and is celebrated annually. The IPA also joins the National Association of Secondary School Principals (NASPP), the National Association of Elementary School Principals (NAESP), and the American Federation of School Administrators (AFSA) to recognize October as National Principals Month.

Principal Appreciation Day provides learning communities an opportunity to publicly recognize the work, commitment and importance of principals, assistant principals, and deans throughout the state. Lifetouch and the IPA invite all teachers, students, parents, and community members to perform some act of appreciation on Friday, October 29th to acknowledge the leadership of building administrators in Illinois' public and private schools.

"In these challenging times, school leaders are faced with extraordinary decisions that affect the lives of those under their care," said Dr. Marcus Belin, IPA President and Principal of Huntley High School, Huntley, IL. "The purpose and value school leaders bring to the field of education is immeasurable. What I value most is their relentless determination to move education forward and to serve their communities in a meaningful way. Let us take a moment to recognize the hard work that principals give, day in and day out."

The 2021-2022 school year also marks the 50th anniversary of the Illinois Principals Association. Initial conversations to create a statewide principals association began in 1966 and members formally ratified the organization in the Fall of 1971. The IPA was formed when the Illinois Elementary School Principals Association (IESPA), the Illinois Junior High School Principals Association (IJHSPA), and the Illinois Secondary School Principals Association (ISSPA) joined into one organization. The IPA has long been recognized by the National Association of Elementary School Principals, the National Association of Secondary School Principals, and other state and national agencies and organizations as one of the premier principals' groups in the nation due to its large, diverse membership, legislative and policy initiatives, service to members and especially for the quality and range of its professional learning programs.

"School leadership matters, especially right now," said Dr. Jason Leahy, IPA Executive Director. "As a former principal and having visited dozens of schools throughout Illinois, the quality of a school's learning environment and the ability of a school to do what is best for its students comes as a direct result of the leadership provided

by the school's principal and leadership team. Courageous leadership is essential to equitably educate students and work to provide the resources and support they need to reach their potential. It is important that we recognize and encourage our schools' leaders every day. The pandemic has heightened the need for us to intentionally share appreciation for those who do so much for our State's young people."

Lifetouch is proud to be the official school photographer for the National Association of Elementary School Principals. Lifetouch is honored to support local members of the Illinois Principals Association in recognition of "Principal's Appreciation Day." Lifetouch is excited to have joined forces with Shutterfly to bring together two industry leaders who share a common purpose – to share life's joy through capturing and preserving memories with the click of a camera. While we continue to deliver the quality photography and service you expect from Lifetouch, we are creating a new, innovative experience that will allow you to do more with your photos than ever before.
