

Agenda Topic: Approval of Transportation Contract  
Meeting Date: May 13, 2025  
Contact Person: Shari Thompson

---

Background:

At a special meeting on May 2, 2025, the school board rejected all bids for transportation services and authorized district administration to enter direct negotiations for a contract for student transportation for the 2025-2026 school year.

Negotiations are now complete, and administration is seeking approval of a three-year transportation contract for school years 2025-26, 2026-27, and 2027-28.

The contract is within the board-approved budget parameters and has been reviewed by legal counsel.

---

Recommendation:

It is recommended that the board approve the three-year transportation contract commencing on August 1, 2025, and running through June 30, 2028.
