Special Education

We have hired several new staff in the Special Education department for the 2015-16 school year.

K-4 Michelle Evans

5-8 Eden McDaniel

Speech/Language Pleasance Owen

Enrollment numbers will be given in October board report.

English Language Learners

The students that were involved in the ELL program last year made significant gains on their language goals. We are excited to see what great growth they make this year.

AVID- Advancement via Individual Determination

AVID is up and running for the new school year. Several staff attended the Summer Institute and are making great things happen for students in the Sheridan School District.
