Re: High School – Rental Chiller

Josh,
We propose to furnish and install (1) 300-ton rental chiller for the High School. The pricing below includes chiller rental, chiller delivery and pick up (chiller will be on a semi-trailer parked next to the existing chiller enclosure) setup, tear-down, temporary power and barricades.

Setup/tear down/barricades/power	\$ 15,517.00
Rental Chiller (1st-month)	\$ 24,156.00
<u>Rental Chiller (per subsequent month)</u>	<u>\$ 18,100.00 x 2= \$ 36,200.00</u>
Total rental cost for <u>three</u> months is	\$ 75,873.00 (this will be adjusted to reflect actual length of rental usage at the final billing)

If you have any questions, or require additional information, please feel free to contact me.

Respectfully,

Scott Robinson
Project Manager
