Dear Superintendent Rappold and the Browning Public School Board:

I have made a very difficult decision. I am resigning from my position within the Browning Public Schools as a First-Grade Special Education teacher. This was not an easy decision, especially due to my commitment to my students and athletes, whom I deeply care for. However, after much reflection, I feel it is time for me to move on after this current school year., and go where my daughter can continue to get the support she needs. My last day will be June 6, 2025.

I do have a trailer in the district trailer court and have sold it to another district employee. I just ask that I can have until July 6th of 2025 to remove all my belongings as I am still in a masters program where I need to be in person in another town.

I greatly appreciate all the opportunities this district has given my children as all of them are Browning Alumni and for myself. I will miss this community so much and this will always be home. Again thank you for everything.

Sincerely,

Dawn Marxer
