The person in the position that is being eliminated may exercise the employee's seniority to bump a less senior employee with the most comparable hours in any classification provided that the school district determines the employee is capable of performing the job responsibilities. If the person elects not to accept the position with the most comparable hours, the person will bump into the position that was vacated by the person with the least amount of seniority

SECTION 20: Within a classification, if hours in a position are increased, that will constitute a change in position, and therefore, the employee with the most seniority in that classification may fill that position, provided the move does not create a full-time position.

SECTION 21: Should no one within the classification wish to move into the position, it shall be made available to the open market after persons from within the association are notified and given an opportunity to apply for said position.

3. A member may use up to ten (10) days per year.
4. A paraprofessional may not use days from the sick leave bank to substitute for extended maternity leave.
