CANUTILLO A Premier District

FROM: Jessica Arellano, Executive Director of Curriculum & Instruction
DATE: March 24, 2026
RE: Certification of Provision of Instructional Materials 2026-2027

Local Educational Agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education, per Texas Education Code (TEC) 31.1011.

The certification survey includes a section that allows a local school system to certify that they meet the requirement to protect against access to obscene or harmful content in compliance with:

- (i) Children's Internet Protection Act (Pub. L. No. 106-554);
- (ii) Section 28.0022;
- (iii) Section 43.22, Penal Code; and
- (iv) any other law or regulation that protects students from obscene or harmful content.

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

The Certification of Provision of Instructional Materials 2026-2027 Survey Form must be reviewed and ratified by the local school system's board of trustees or governing body in an open, public-noticed meeting.

The completed Certification of Provision of Instructional Materials 2026-2027 Survey Form will be submitted to TEA upon ratification.
