7:60. Residence	Annetta	The policy, legal references, cross references, and footnotes are updated to permit but not require the interdistrict transfer of students who are parents, expected parents, or victims of domestic or sexual violence.
7:70. Attendance and Truancy	Annetta	The policy, legal references, cross references, and footnotes are updated to reflect the addition of more valid causes for student absences such as fulfillment of parenting duties or attendance for a therapeutic appointment addressing circumstances resulting from domestic or sexual violence.
7:250. Student Support Services	Annetta	The policy, legal references, cross references, and footnotes were updated requiring students 12 years of age and older to be annually notified of the availability of counseling without parent/guardian consent and the designation of at least one staff member in each building as a resources person for Article 26A students
7:340. Student Records	Annetta	The legal references, cross references and footnotes are updated due to the new 7:255 policy. These updates restrict the circumstances under which schools may disclose information about a student's status as a parent, expectant parent, or victim of domestic or sexual violence.
7:180. Prevention of and Response to Bullying, Intimidation, and Harassment	Brian	This policy defines different types of bullying and describes multiple aspects of the district's response to bullying reports. The policy is unique to the district. As such, there are no specific recommended changes at this time. However, we will be taking a closer look at the specifics of our policy compared to the PRESS model as part of our strategic planning work related to mental health and school safety.

<u>7:200, Suspension Procedures</u>	Brian	This policy describes the parameters and procedures for in-school and out-of-suspension. The policy and footnotes are updated in response to school code, specifically relating to students' rights during a suspension review hearing.
<u>7:210, Expulsion Procedures</u>	Brian	This policy describes the parameters and procedures for expulsion. The policy and footnotes are updated in response to school code, specifically relating to students' rights during an expulsion hearing.
<u>6:150, Home and Hospital Instruction</u>	Chris	This policy is updated to reflect a change in School Code due to Public Act 102-466. Prior to P.A. 102-466, this policy addressed home and hospital instruction for students unable to attend school because of pregnancy. The policy update continues to provide for home and hospital instruction for students who are unable to attend school because of pregnancy, but adds 1) parenting obligations related to the health of their child, 2) physical or mental health complications, or safety concerns that result from domestic or sexual violence.
<u>4:80, Accounting and Audits</u>	Jeff	This policy is updated to comply with a Federal amendment known as the OMB Guidance for Federal Financial Assistance which outlines uniform administrative requirements, cost principles and audit requirements for federal awards. Specifically, it is regarding the disposition of district property purchased with federal grants.
<u>5:60, Expenses</u>	Jeff	This policy regulates the reimbursement of expenses related to travel, meal and lodging for employees. The only update is related to the legal references.

PRESSPlus 1. An *expectant parent* is a student who (i) is pregnant and (ii) has not yet received a diploma for completion of a secondary education as defined in 105 ILCS 5/22-22. **Issue 118, April 2025**

PRESSPlus 2. This policy is created in response to 105 ILCS 5/26A, added by P.A. 102-466, a/k/a *ESS Law*, eff. 7-1-25, requiring districts to ensure they have policies, procedures, and resources in 7:255

place to ensure that Article 26A Students are provided with support services necessary to enable them to meet State educational standards and successfully attain a school diploma.

105 ILCS 5/2-3.147, added by P.A. 95-558 and repealed by P.A. 99-30, created the first Ensuring Success in School (ESS) Task Force. Supervised by the Ill. State Board of Education (ISBE), it developed policies, procedures, and protocols for school boards to adopt to address the education and related needs of students who are parents, expectant parents, or victims of domestic or sexual violence; the goal was to encourage these students to stay in school, stay safe while in school, and successfully complete their education. The June 2010 report of the first ESS Task Force is available here: www.isbe.net/Documents/ess-task-force-final-report0610.pdf.

105 ILCS 5/26A-15, added by P.A. 102-466 (a/k/a *ESS Law*) and scheduled to be repealed on 12-1-25, created a second ESS Task Force supervised by ISBE, also focused on the education and related needs of students who are parents, expectant parents, or victims of domestic or sexual violence. The second ESS Task Force was to: (1) draft and publish model policies and intergovernmental agreements for inter-district transfers, (2) draft and publish model complaint resolution procedures, and (3) identify current mandatory and new staff trainings needed.

PRESSPlus 9. 105 ILCS 5/26A-45(a), added by P.A. 102-466, a/k/a *ESS Law*, eff. 7-1-25. The ESS Law amended the definition of *student temporary record* in the Ill. School Student Records Act (ISSRA) (105 ILCS 10/) to include information concerning a student's status and related experiences as a parent, expectant parent, or victim of domestic or sexual violence as defined in 105 ILCS 5/26A. **Issue 118, April 2025**

PRESSPlus 10. Required by 105 ILCS 5/26A-30, added by P.A. 102-466, a/k/a *ESS Law*, eff. 7-1-25.

The policy text is based on recommendations of the second ESS Task Force. See p. 14 of the June 2024 ESS Task Force final report, at: www.isbe.net/Documents_ESSTaskForce/Final-Report-ESS-Report-June-2024.pdf. The phrase "including any other employee" comes directly from 105 ILCS 5/26A-30(a) and is confusing because it is unclear whose employee is being referenced. The Ill. School Student Records Act (ISSRA) permits student records to be disclosed to any district employees with a "current demonstrable educational or administrative interest" in a student if disclosure is "in furtherance of such interest." 105 ILCS 10/6(a)(2). **Consult the board attorney for guidance. Issue 118, April 2025**

PRESSPlus 11. 105 ILCS 5/26A-20(c)(1)-(6), added by P.A. 102-466, a/k/a *ESS Law*, eff. 7-1-25, states elements that must be in a district's "policy on the procedures" that a student or their parent/guardian may follow if he or she chooses to report an incident of alleged domestic or sexual violence. Having a "policy on the procedures" is a misnomer because the board does not adopt procedures but rather, through policy, directs the superintendent to establish procedures to implement policy. Only the required element at 105 ILCS 5/26A-20(c)(6), to establish a complaint resolution procedure, appears in this policy's text because the remaining elements are not board work and therefore inappropriate to include in board policy. Instead, required elements from 105 ILCS 5/26A-20(c)(1)-(5) appear in sample administrative procedure 7:255-AP2, *Complaint Resolution Procedure for Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*, available at PRESS Online at www.iasb.com. **Issue 118, April 2025**

PRESSPlus 12. See sample administrative procedure 7:255-AP1, *Supporting Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*, available at PRESS Online by logging in at www.iasb.com, for a list of board policies implicated by the ESS Law and that may interact with this policy. **Issue 118, April 2025**

PRESSPlus 13. If the district does not employ an Assistant Building Principal and/or Dean of Students, strike the title(s) that do not apply, and use the Save Status "Adopted with Additional District

Edits." **Issue 118, April 2025**

PRESSPlus 14. By including “any employee” in this list, this policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. **Issue 118, April 2025**

PRESSPlus 15. While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. It is important for updated names and contact information to be inserted into this policy and regularly monitored.

Please [click here to submit the name and contact information](#) that will be applied to each of the following policies: 2:260, 2:265, 5:10, 5:20, 7:20, 7:180, and 7:255. **Issue 118, April 2025**

PRESSPlus 16. 105 ILCS 5/26A-20(a), added by P.A. 102-466, a/k/a *ESS Law*, eff. 7-1-25. This provision also requires districts to review and revise any procedures that act as a barrier to Article 26A Students. Since procedure review and revision is administrator work and not board work, this requirement is addressed in sample administrative procedure 7:255-AP1, *Supporting Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*, available at PRESS Online by logging in at www.iasb.com. **Issue 118, April 2025**

PRESSPlus 17. 105 ILCS 5/26A-50, added by P.A. 102-466, a/k/a *ESS Law*, eff. 7-1-25. **Issue 118, April 2025**

STUDENTS

7:60 Residence

Resident Students

Only students who are residents of the District may attend a District school without a tuition charge, except as otherwise provided below or in State law. A student's residence is the same as the person who has legal custody of the student.

A person asserting legal custody over a student, who is not the child's natural or adoptive parent, shall complete a signed statement, stating: (a) that he or she has assumed and exercises legal responsibility for the child, (b) the reason the child lives with him or her, other than to receive an education in the District, and (c) that he or she exercises full control over the child regarding daily educational and medical decisions in case of emergency. If the District knows the current address of the child's natural or adoptive parent, the District shall request in writing that the person complete a signed statement or affidavit stating: (a) the role and responsibility of the person with whom their child is living, and (b) that the person with whom the child is living has full control over the child regarding daily educational and medical decisions in case of emergency.

A student whose family moves out of the District during the school year will be permitted to attend school for the remainder of the year without payment of tuition.

When a student's change of residence is due to the military service obligation of the student's legal custodian, the student's residence is deemed to be unchanged for the duration of the custodian's military service obligation if the student's custodian made a written request. The District, however, is not responsible for the student's transportation to or from school.

If, at the time of enrollment, a dependent child of military personnel is housed in temporary housing located outside of the District, but will be living within the District within six months after the time of initial enrollment, the child is allowed to enroll, subject to the requirements of State law, and must not be charged tuition.

Residence of Students with Disabilities

The residence of a child with a disability is determined in accordance with [105 ILCS 5/14-1.11](#), [5.14-1.11a](#), and [5/14-1.11b](#).

Admission of Nonresident Students Pursuant to an Agreement or Order

Nonresident students may attend District schools pursuant to:

1. A written agreement with an adjacent school district to provide for tuition-free attendance by a student of that district, provided both the Superintendent or designee and the adjacent district determine that the student's health and safety will be served by such attendance.
2. A written agreement with cultural exchange organizations and institutions supported by charity to provide for tuition-free attendance by foreign exchange students and nonresident pupils of charitable institutions.
3. According to an intergovernmental agreement, including, but not limited to, an agreement for

interdistrict transfer of students who are parents, expectant parents, or victims of domestic or sexual violence under 105 ILCS 5/26A. [PRESSPlus1](#)

4. Whenever any State or federal law or a court order mandates the acceptance of a nonresident student.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required to establish residency. Board of Education policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Challenging a Student's Residence Status

If the Superintendent or designee determines that a student attending school on a tuition-free basis is a nonresident of the District for whom tuition is required to be charged, he or she on behalf of the Board shall notify the person who enrolled the student of the tuition amount that is due. The notice shall detail the specific reasons why the Board believes that the student is a nonresident of the District and shall be given by certified mail, return receipt requested. The person who enrolled the student may challenge this determination and request a hearing as provided by the School Code, [105 ILCS 5/10-20.12b](#).

7:70 Attendance and Truancy

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of 6 (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades, kindergarten through 8, in the public school regardless of age.

Subject to specific requirements in state law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), attendance at a verified medical or therapeutic appointment (including a victim services provider), [PRESSPlus1](#) observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, other situations beyond the control of the student as determined by the Board, other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. For students who are parents, expectant parents, or victims of domestic or sexual violence, valid cause for absence also includes the fulfillment of a parenting responsibility and addressing circumstances resulting from domestic or sexual violence. [PRESSPlus2](#) Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board of Education policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed.

The Superintendent or designee is authorized to determine when the student's absence is justified.

2. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a

combat zone or combat-support postings.

4. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in [105 ILCS 5/26-2a](#)
5. Methods for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information.
6. This policy shall be communicated annually to students, their parents/guardians and District personnel in relevant handbooks and shall be posted on the District's publicly accessible website.

The District shall implement this policy by: 1) conducting prompt and thorough investigations of all alleged incidents of bullying, intimidation and/or harassment; 2) providing each student who violates this policy with appropriate consequences and remedial actions; and 3) protecting students against retaliation for reporting such conduct.

Bullying Defined

Bullying includes cyber-bullying and is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to:

Cyber-bullying includes, but is not limited to:

Nothing in this Section is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the [First Amendment to the United States Constitution](#) or under [Section 3 of Article 1 of the Illinois Constitution](#).

STUDENTS

7:190 Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; and (4) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.

- d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
- e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
- f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
- g. *Look-alike* or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
- h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the **Weapons** section of this policy, or violating the **Weapons** section of this policy.
5. Using or possessing an electronic paging device.
6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. ~~Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone.~~ [PRESSPlus1](#) Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered off or silenced and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP) or Section 504 plan; (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
7. Sexting, which, for purposes of this policy, is the act of creating, sending, sharing, viewing, receiving, or possessing sexually explicit messages, images, or videos electronically, regardless of whether they are authentic or computer-generated, through the use of a computer, electronic communication device, or cellular phone. Sexting also includes creating, sending, sharing, viewing, receiving, or possessing indecent visual depictions, non-consensual

6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, using a writing service and/or generative artificial intelligence technology in place of original work unless specifically authorized by staff, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.

19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the

school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student qualifies for the transfer under State law. The

transfer shall be in the manner provided in [Article 13A](#) or [13B of the School Code](#).

14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. Suspension and expulsion may be the available and appropriate disciplinary interventions in some circumstances where other available and appropriate interventions have been exhausted or it has been determined that there are no other available and appropriate behavioral or disciplinary interventions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties.

Corporal punishment is prohibited in all circumstances. *Corporal punishment* is defined as a discipline method in which a person deliberately inflicts pain upon a student in response to the student's unacceptable behavior or inappropriate language, with an aim to halt an offense, prevent its recurrence, or set an example for others. [PRESSPlus3](#) It includes slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as permitted by 105 ILCS 5/10-20.33 ~~needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.~~

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in [105 ILCS 5/10-20.33](#), State Board of Education rules ([23 Ill.Admin.Code §§ 1.280, 1.285](#)), and the District's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code ([18 U.S.C. § 921](#)), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act ([430 ILCS 65/](#)), or firearm as defined in Section 24-1 of the Criminal Code of 2012([720 ILCS 5/24-1](#)).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision; (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident; or (3) observes a battery committed against any staff member or is subject to a battery. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Upon receiving a report of (1), above, the Building Principal or designee shall immediately notify local law enforcement. In addition, upon receiving a report on any of the above (1)-(3), the Building Principal or designee shall notify the Superintendent or designee and any involved student's parent/guardian.

Upon receiving a report on any of the above (1)-(3), the Superintendent or designee shall immediately notify local law enforcement. The Superintendent or designee shall also report these incidents involving battery against staff members to the Ill. State Board of Education ISBE through its web-based School Incident Reporting System as they occur during the year and no later than August 1 July 31 PRESSPlus4 for the preceding school year.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated licensed educational employees, and any other persons (whether or not a licensed employee) providing a related service for or with respect to a student, may only use reasonable force as permitted by 105 ILCS 5/10-20.33 PRESSPlus5 needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

The Superintendent, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

 - b. The student or the student's parent/guardian informs the District, in writing, that the student needs to care for the child during this period.
4. The student must treat physical or mental health complications or address safety concerns arising from domestic or sexual violence when a health care provider or an employee of the student's domestic or sexual violence organization, as defined in 105 ILCS 5/26A, informs the District, in writing, that the care is needed by the student and will cause the student's absence from school for two or more consecutive weeks.

The District may reassess home instruction provided to a student under No. 3 or No. 4 every two months to determine the student's continuing need for home instruction.

Periodic conferences will be held between appropriate school personnel, parent(s)/guardian(s), and hospital staff to coordinate course work and facilitate a student's return to school.

The Superintendent or designee, in addition to other assigned financial responsibilities, shall report monthly on the District's financial performance, both income and expense, in relation to the financial plan represented in the budget.

Annual Audit

At the close of each fiscal year, the Superintendent or designee shall arrange an audit of the District funds, accounts, statements, and other financial matters. The audit shall be performed by an independent certified public accountant designated by the Board and be conducted in conformance with prescribed standards and legal requirements. A complete and detailed written audit report shall be provided to each Board member and to the Superintendent or designee. The Superintendent or designee shall annually, on or before October 15, submit an original and one copy of the audit to the Regional Superintendent of Schools.

The Superintendent or designee is responsible for establishing and maintaining accurate inventory records. The inventory record of supplies and equipment shall include a description of each item, quantity, location, purchase date, and cost or estimated replacement cost, unless the supplies and equipment are acquired by the District pursuant to a federal or State grant award, in which case the inventory record shall also include the information required by [2 C.F.R. §200.313](#), if applicable. The Superintendent shall establish procedures for the management of property acquired by the District under grant awards that comply with federal and State law.

Capitalization Threshold

To be considered a capital asset for financial reporting purposes, a capital item must be at or above a capitalization threshold of \$10,000 and have an estimated useful life greater than one year.

Disposition of District Property

The Superintendent or designee shall notify the Board, as necessary, of the following so that the Board may consider its disposition: (1) District personal property (property other than buildings and land) that is no longer needed for school purposes, and (2) school site, building, or other real estate that is unnecessary, unsuitable, or inconvenient. Notwithstanding the above, the Superintendent or designee

may unilaterally dispose of personal property of a diminutive value. The Superintendent shall establish procedures for the disposition and, when permitted by the terms and conditions of the award, the retention [PRESSPlus1](#) of property acquired by the District under grant awards that comply with federal and State law.

Taxable Fringe Benefits

The Superintendent or designee shall: (1) require that all use of District property or equipment by employees is for the District's convenience and best interests unless it is a Board-approved fringe benefit, and (2) ensure compliance with the Internal Revenue Service regulations regarding when to report an employee's personal use of District property or equipment as taxable compensation.

Controls for Revolving Funds and Petty Cash

Revolving funds and the petty cash system are established in Board policy 4:50, *Payment Procedures*. The Superintendent or designee shall: (1) designate a custodian for each revolving fund and petty cash fund, (2) obtain a bond for each fund custodian, and (3) maintain the funds in compliance with this policy, State law, and ISBE rules. A check for the petty cash fund may be drawn payable to the designated petty cash custodian. Each revolving fund shall be maintained in a bank that has been approved by the Board and established in an amount approved by the Superintendent or designee consistent with the annual budget. All expenditures from these bank accounts must be directly related to the purpose for which the account was established and supported with documentation, including signed invoices or receipts. All deposits into these bank accounts must be accompanied with a clear description of their intended purpose. The Superintendent or designee shall include checks written to reimburse revolving funds on the Board's monthly listing of bills indicating the recipient and including an explanation.

Control Requirements for Checks

The Board must approve all bank accounts opened or established in the District's or a District school's name or with the District's Federal Employer Identification Number. All checks issued by the School District must be signed by either the Treasurer or Board President, except that checks from accounts containing student activity funds or fiduciary funds and checks from revolving accounts may be signed by their respective account custodians.

The Superintendent or designee is primarily responsible for establishing and implementing a system of internal controls for safeguarding the District's financial condition; the Board, however, will oversee these safeguards. The control objectives are to ensure efficient business and financial practices, reliable financial reporting, and compliance with State law and Board policies, and to prevent losses from fraud, waste, and abuse, as well as employee error, misrepresentation by third parties, or other imprudent employee action.

The District's system of internal controls shall include the following:

2. Financial records and data must be accurate and complete.
3. Accounts payable must be accurate and punctual.

9. Any unnecessary weaknesses or financial risks must be promptly corrected.

The Superintendent or designee shall annually audit the District's financial and business operations for compliance with established internal controls and provide the results to the Board. The Board may from time-to-time engage a third-party to audit internal controls in addition to the annual audit.

General Personnel

5:60 Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent or designee may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent or designee: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible,

employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed. Copies of airline tickets and baggage receipts must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, ride sharing services, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Additional Requirements for Travel Expenses Charged to Federal and State Grants

All grant-related travel expenses must be pre-approved by the Superintendent or designee.

Expenses for travel, including expenses for transportation, lodging, meals, and related items incurred by employees and charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act ([30 ILCS 708/](#)) must also meet the following requirements:

1. The participation of the employee is necessary to the award, and the costs are specifically related to the award.
2. Expenses must be permissible under the terms and conditions of the award.
3. Expenses must be reasonable and consistent with this policy.
4. The Board does not reimburse actual expenses or pay a per diem allowance unless the employee is on official *travel status* for more than 12 hours. However, employees remain eligible for mileage reimbursement (minus regular commuting mileage/costs) and other transportation expenses if on travel status less than 12 hours.
5. Expenses may be charged based on an actual cost basis or on a per diem basis in lieu of actual costs incurred; however, only one method may be applied per trip.
6. Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.
8. Employees must use the least expensive compact car available when using a rental car for travel, unless an exception is approved. The Board does not reimburse employees for collision damage waiver or theft insurance.
9. The Board will reimburse travel expenses not chargeable to an award from other District funds consistent with this policy.

PRESSPlus Comments

PRESSPlus 1. Optional. Artificial intelligence is a rapidly evolving and complex technology that implicates many unsettled legal and ethical issues. This content contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

A Statewide Generative AI and Natural Language Processing Taskforce issued a report to the General Assembly in December 2024 (<https://doit.illinois.gov/content/dam/soi/en/web/doit/meetings/ai-taskforce/reports/2024-gen-ai-task-force-report.pdf>) that recommended the Ill. State Board of Education provide guidance on the use of AI in schools, best practices, and educator training. The U.S. Dept. of Education released a toolkit to assist education leaders with the safe, ethical, and equitable integration of AI within education systems, available at: http://downloads.microscribepub.com/il/press/federal_resources/FINAL-ED-OET-EdLeaders-AI-Toolkit-10.29.24_20250221.pdf. Note: This resource may no longer be available on a federal government website but is being maintained at PRESS Online to provide consistent subscriber access.

Adopting policy language that addresses AI provides (a) a way for boards to monitor how this technology is being used in the district, and (b) an opportunity for the board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Before adoption of this subhead, the board may want to have a conversation with the superintendent to determine how local conditions, resources, and current practices will support the full implementation of a policy that addresses AI and its goals. The use of AI will be most effective when the policy reflects local conditions and circumstances. Consult the board attorney about these issues. See sample administrative procedure 6:235-AP3, *Development of Artificial Intelligence (AI) Plan and AI Responsible Use Guidelines*, available at PRESS Online by logging in at www.iasb.com, for a suggested framework for developing an AI plan and guidelines. **Issue 118, April 2025**

4:15 Identity Protection

The collection, storage, use, and disclosure of social security numbers by the School District shall be consistent with State and federal laws. The goals for managing the District's collection, storage, use, and disclosure of social security numbers are to:

1. Limit all activities involving social security numbers to those circumstances that are authorized by State or federal law.
2. Protect each social security number collected or maintained by the District from unauthorized disclosure.

The Superintendent is responsible for ensuring that the District complies with the Identity Protection Act, [5 ILCS 179/](#). Compliance measures shall include each of the following:

1. All employees having access to social security numbers in the course of performing their duties shall be trained to protect the confidentiality of social security numbers. Training should include instructions on the proper handling of information containing social security numbers from the time of collection through the destruction of the information.
2. Only employees who are required to use or handle information or documents that contain social security numbers shall have access to such information or documents.
3. Social security numbers requested from an individual shall be provided in a manner that makes the social security number easily redacted if the record is required to be released as part of a public records request.
4. When collecting a social security number or upon request by an individual, a statement of the purpose(s) for which the District is collecting and using the social security number shall be provided. The stated reason for collection of the social security number must be relevant to the documented purpose.
5. All employees must be advised of this policy's existence and a copy of the policy must be made available to each employee. The policy must also be made available to any member of the public, upon request.
6. If this policy is amended, employees will be advised of the existence of the amended policy and a copy of the amended policy will be made available to each employee.

No District employee shall collect, store, use, or disclose an individual's social security number unless specifically authorized by the Superintendent. This policy shall not be interpreted as a guarantee of the confidentiality of social security numbers and/or other personal information. The District will use best efforts to comply with this policy, but this policy should not be construed to convey any rights to protection of information not otherwise afforded by law.

PRESSPlus Comments

PRESSPlus 1. Updated in response to 2 C.F.R Part 200, amended by 89 Fed. Reg 30046, addressing the safeguarding of information under grant awards and updating the definitions for *personally identifiable information* and *protected personally identifiable information*.

Personally Identifiable Information (PII) means information that can be used to distinguish or trace an individual's identity, either alone or when combined with other personal or identifying information that is linked or linkable to a specific individual. Some PII is available in public sources such as telephone books and websites. This was previously defined as *public personally identifiable information* (Public PII), but 2024 revisions to 2 C.F.R. Part 200 have deleted Public PII as a definition. The definition of PII is not attached to any single category of information or technology. Instead, it requires a case-by-case assessment of the specific risk that an individual can be identified. Non-PII can become PII whenever additional information is made publicly available, in any medium and from any source, that could be used to identify an individual when combined with other available information. 2 C.F.R. §200.1.

Protected personally identifiable information (Protected PII) means PII, except for certain types of PII that must be disclosed by law. 2024 revisions to 2 C.F.R. Part 200 eliminated examples of Protected PII and instead only list examples of PII within the definition of Protected PII at 2 C.F.R. §200.1, which

may indicate broadening of the definition of Protected PII. See 89 Fed. Reg. 79732. Before the 2024 revisions, examples of Protected PII contained in the regulation included, but were not limited to, social security number, passport number, credit card numbers, clearances, bank numbers, biometrics, date and place of birth, mother's maiden name, criminal records, medical records, financial records, and educational transcripts. 2 C.F.R. §200.1. Consult the board attorney for guidance in this area. See sample administrative procedure 4:15-AP2, *Treatment of Personally Identifiable Information Under Grant Awards*, available at PRESS Online by logging in at www.iasb.com. Protected PII is similar to, but broader than, the definition of *personal information* under PIPA. **Issue 118, April 2025**
