

Community Education Report

Jun 13, 2023

News & Notes:

- Summer Programming is in full swing!
 - Ranger Ride: full at 50 registrants. (This is a free offering and always fills up quickly.)
 - Camp Cuyuna: Currently 9 students registered for this new mountain biking skills camp that will be held in mid-July.
 - Boys' Basketball Camp: Held June 5th - 9th and had 59 participants in 3rd - 9th grades.
 - Girls' Basketball Camp: Coming up June 26th - 29th and currently has 34 registered.
 - Youth Baseball: Multiple programs serving ages Preschool - 6th grade and has 143 students registered. Thank you to Cuyuna Range Youth Baseball for coordinating these programs!
 - Youth Softball: 40 girls are registered for 14U, 12U and 10U teams.
- We held our first week of picnics last week!
 - We hosted 57 kids in Crosby our first week! Kinship Partners is joining us at our picnics this summer to offer more positive adults to interact with the kids and help juggle the food and games.
 - Unfortunately, we did not see any kids in Emily the first week but we are hopeful we can find creative ways to reach out to the kids in the community up there and find meaningful ways to engage with them.

Little Rangers Family Center:

- We will be entering the process of "re-rating" for the Parent Aware rating system. Our Early Childhood coordinator is preparing for this process.
- Registrations are continuing to come in as we enter summer. We are confident our sections will fill up and we will likely end up with a waiting list for Little Rangers (4 year olds). At this time, we do not have a space to add an additional section of this class.
