

Community Relations

Parental Involvement

In order to assure collaborative relationships between students' families and the District, and to enable parents/guardians to become active partners in their children's education, the Superintendent shall develop administrative procedures to:

1. Keep parents/guardians thoroughly informed about their child's school and education.
2. Encourage parents/guardians to be involved in their child's school and education.
3. Establish effective two-way communication between parents/guardians and the District.
4. Seek input from parents/guardians on significant school-related issues.
5. Inform parents/guardians on how they can assist their children's learning.

In addition, the school district agrees to implement the following statutory requirements.

- The school district will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1116 of the Elementary and Secondary Education Act (ESEA). Those programs, activities, and procedures will be planned and operated with meaningful consultation with parents of participating children.
- Consistent with section 1116 of the ESEA, the school district will work with its schools to ensure that the required school-level parent and family engagement policies meet the requirements of section 1116(b) of the ESEA, and each include, as a component, a schoolparent compact consistent with section 1116(d) of the ESEA.
- The school district will incorporate this district-wide parent and family engagement policy into its LEA plan developed under section 1112 of the ESEA.
- In carrying out the Title I, Part A parent and family engagement requirements, to the extent practicable, the school district and its schools will provide opportunities for the informed participation of parents and family members, including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.

- The school district will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parent and family engagement is spent, and will ensure that not less than 90 percent of the one percent reserved goes directly to the schools.
- The school district will be governed by the following statutory definition of “parent and family engagement,” and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this definition:

Parent and family engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

(A) that parents play an integral role in assisting their child’s learning;

(B) that parents are encouraged to be actively involved in their child’s education at school;

(C) that parents are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and

(D) the carrying out of other activities, such as those described in section 1116 of the ESEA

The Superintendent shall periodically report to the Board on the implementation of this policy.
