Anne Nicholson
2300 190th Street Ct. North
East Moline, IL 61244

Dear Anne,

Thank you for the donation of metal, materials, and tools, to the United Township Area Career Center's Auto Mechanics & Auto Body programs. As Director of the ACC, I appreciate support of the students who are training and exploring careers at the ACC.

The ACC's Auto Mechanics & Auto Body programs, with Bryan Thirtyacre and Don Rahn as the instructors, continues to provide learning experiences that are as authentic as possible. Having material that they can practice on and tool used in the field, allows the students the opportunity to work to hone their skills, which they may not normally be allowed to do. These experiences are a critical component of the student's learning and would not be possible without the support of individuals like yourselves. Accompanying this letter is an itemized list of what was donated.

Again, thank you for your support of the United Township Area Career Center.

Gratefully,

James Hood
Director

Cc: Dr. Jay Morrow, Superintendent
Bryan Thirtyacre, Instructor
Don Rahn, Instructor

Donation list: Anne Nicholson

- 7 – Rolls of Aluminum Mig Welding Wire
- 1 – Bag of 20 Mig Welding Tips
- 5 – Welding Nozzles
- 1 – Torch Striker
