BOARD POLICY: CH Legal

STRATEGIC GOAL(S): Priority 3: Personnel and Professional Development and Priority 1: Student Academic Success

FISCAL NOTE: Federal, Local, and State

PREPARED/PRESENTED BY: Pamela Brown, Chief Human Resources Officer

Background Information

This agreement establishes a partnership between Duncanville ISD and Dallas College to implement a residency program focused on PK–3rd grade classrooms. The program provides a yearlong experience that combines classroom practice, coaching, and coursework to develop a strong pipeline of early childhood teachers and support improved student outcomes.

Through LASO Cycle 4 funding, the district will receive \$10,000 per resident teacher to support salary costs, while host teachers serving as mentors will receive a \$2,000 state-funded stipend. This funding supports a model to strengthen, recruit, prepare, and retain highly qualified PK–3rd grade teachers in high-need areas.

Recommendation

The Superintendent recommends the Board approve the agreement as presented.

Communication Deployment

Communication will be provided to campus principals and host teachers upon assignment of resident teachers, in partnership with the college.

Suggested Motions
