

# **Local Policy Update 121**

## **CFB (Local) Accounting: Inventories**

Language is added that states the Superintendent shall determine the capitalization threshold for a group of assets.

## **CKE (Local) Safety Prog/Risk Mgmt.: Security Personnel**

Changes to CKE (Local) are updates in cross references to CKE (Legal).

## **CLB (Local) Buildings, Grounds, Equip. Mgmt.: Maintenance**

District owned residential property is added to the Integrated Pest Management program.

## **CO (Local) Food and Nutrition Management**

This policy extends a student's grace period to an unlimited amount of time that they are allowed to receive a meal if their account has been exhausted.

## **COA (Local) Food and Nutrition Management: Procurement**

Changes to this policy designates that the food service director has the authority to apply for a geographic preference when procuring certain products.

## **CRF (Local) Insurance and Annuities Management**

The only change to this policy is TASB updating the date of review.

## **CVA and CVB (Local) Facilities Construction**

The term "designee" is eliminated from these policies. Policy BJA (Local) already gives the superintendent the authority to delegate preparations for bidding.

## **DEA (Local) Compensation and Benefits: Compensation Plan**

Wording is changed for employee pay from bimonthly to semi-monthly. There are additional wording changes for clarification purposes.

## **FD (Local) Admissions**

There is a wording change in the Proof of Residency section.

Also, the district must adopt a policy that assures a homeless student or a student in substitute care of the credits that they will be receiving prior to enrollment.

## **FFI (Local) Student Welfare: Freedom from Bullying**

Two sections are added to this policy: Minimum Standards and Monitoring.

The Superintendent must establish administrative procedures that assures that minimum standards for bullying prevention are met.

The Superintendent must also periodically monitor the reported counts of bullying incidents.
