Date: June 10, 2025

Agenda Item Caption: Consideration of Proposed Renewal for District of Innovation Plan for the term of August 4, 2025 to August 4, 2030

Purpose of Agenda Item: Action needed

Administrative Recommendation: Move to approve the proposed renewal for District of Innovation Plan for the term of August 4, 2025 to August 4, 2030, as presented.

Background Information: The designation as a District of Innovation (DOI) provides flexibility to obtain exemptions from certain provisions of the *Texas Education Code* (TEC) to increase local control over district operations and to support local initiatives. The Board adopted the 2020-2025 DOI Plan on January 14, 2020, with three subsequent amendments on January 10, 2023, March 5, 2024, and June 11, 2024.

In accordance with Legal Board Policy AF, the renewal plan was approved by the DOI Renewal Advisory Committee on April 23, 2025, and posted on the district website for 30 days. The plan was presented to the Board for discussion at the May 20, 2025 Workshop and will be considered at this meeting. For the District of Innovation Plan to be renewed and implemented, the Board must approve the plan by an affirmative vote of two-thirds of the membership of the Board, as required by Texas Education Code 12A.005, at a public meeting conducted in compliance with the Texas Open Meetings Act; therefore, at least five board members must vote in favor.

Fiscal Analysis: None

Regulatory Requirement: Board Policy AF (Legal) and (Local): Innovation Districts
