[Empty box for funding source]

(D) Clarification: Explain any question or issues that might be raised regarding this item.

[Empty box for clarification]

May is teenage pregnancy prevention month; Maverick County Hospital District would like to thank Eagle Pass ISD for its continuing support with the Juntos Podemos Program. The Juntos Podemos Program is a teen pregnancy prevention project that has partnered with Texas Campaign to Prevent Teenage Pregnancy, Texas A&M, and Maverick County Hospital District to collaborate through Personal Responsibility Education Program (PREP) and Competitive Grants under the Affordable Care Act (ACA). The project is designed to help adolescents in Maverick County and surrounding counties with an evidence based educational program informing adolescents on topics such as abstinence and contraception to prevent pregnancies as well as sexually transmitted infections. Maverick County Hospital District would like to recognize schools that participated during the 2016 -2017 school year at the school board meeting during the month of May for all of their support. The schools that participated at the elementary level were San Luis, Benavides Heights, Robert E Lee, Seco Mines, Graves, Glass, Sam Houston, Pete Gallego, Henry B Gonzalez, and Perfecto Mancha. At the secondary levels both Eagle Pass High School and CC Winn participated for the school year of 2016 -2017. Maverick County Hospital District would like to recognize these schools with a certificate of participation and thank them for their support. Please let me know if we could be placed on the agenda for May's Eagle Pass ISD Board Meeting to advise the campuses.

Thank you,

Marlen Ramirez
