ATTN(NOTE)

GENERAL INFORMATION ABOUT THIS UPDATE

Please note:

Changes at Update 122 are based almost exclusively on legislation from the 88th Regular Legislative Session.

Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 88th Regular Legislative Session. All referenced bills have already gone into effect unless otherwise noted.

Each regular legislative session, legislation is passed that makes nonsubstantive additions, revisions, or corrections to existing statutes. HB 4595 was passed for this purpose in the 88th Regular Legislative Session. Minor nonsubstantive changes throughout Update 122 result from HB 4595 and are not otherwise mentioned in the explanatory notes.

For more information about the bills mentioned throughout and other changes from the 88th Legislative Session, download the free [2023 Legislative Summary for TASB Members](#) PDF from the TASB store.

The *Local Policy Overview* for Update 122, available with your Update 122 materials under [Local Manual Updates](#) on Policy Online® (TASB login required), provides a general, high-level overview of the changes to the local policies included in the update. **Legal policies provide the legal framework for key areas of district operations and are not adopted by the board.**

Changes to the policy manual based on bills from the special called sessions will be included in Update 123.

CQB(LOCAL)

TECHNOLOGY RESOURCES: CYBERSECURITY

Based on the new notification requirements imposed by SB 271, the security breach notification provisions have been revised to include security incidents.

CSA(LOCAL)

FACILITY STANDARDS: SAFETY AND SECURITY

This new local policy on facility safety and security includes recommended provisions addressing audits of building access control to comply with the commissioner's new school safety rules for facilities, effective May 31, 2023.

DC(LOCAL)

EMPLOYMENT PRACTICES

HB 1789 creates a nepotism exception for hiring bus drivers, regardless of county population, if the board approves employment. We recommend adding a note referring to DBE(LEGAL) (concerning nepotism) to this policy that delegates hiring authority for noncontractual employees to the superintendent as a reminder of the special requirements related to this nepotism exception for bus drivers.

The [Legal Issues in Update 122](#) memo describes common legal concerns and best practices specific to this policy's topic.

2023-24 school year. While your district currently may allow chaplains along with other visitors or volunteers on campus, SB 763 requires each board to take a record vote not later than six months after the effective date, September 1, 2023, on whether to adopt a policy authorizing a campus to employ or accept as a volunteer a chaplain. To facilitate this record vote, TASB Policy Service sent a draft resolution with the [2023 Post-Legislative Policy Changes Policy Alert](#), available in the Policy Online® Governance and Management Library (TASB login required), for consideration by the board between September 1, 2023, and March 1, 2024. If the board approves the option to adopt a policy to authorize district campuses to employ or accept as a volunteer a chaplain, send your TASB policy consultant a copy of the resolution for TASB to update the district's DP(LOCAL) policy to reflect the board's decision. If the board would prefer only to accept chaplains as volunteers like other district or campus volunteers, contact your policy consultant for assistance with language at GKG(LOCAL).

EHB(LOCAL)

CURRICULUM DESIGN: SPECIAL PROGRAMS

New provisions are recommended to comply with HB 3928, which requires the board to adopt and implement a policy requiring the district to comply with all rules and standards adopted by the SBOE and guidance published by the commissioner to implement the program to test students for dyslexia and related disorders.

EHBC(LOCAL)

SPECIAL PROGRAMS: COMPENSATORY SERVICES AND INTENSIVE PROGRAMS

This local policy containing provisions on accelerated instruction has been moved to EHBCA(LOCAL) (see below) to align with the legal policy created at that code in Update 121.

EHBCA(LOCAL)

COMPENSATORY SERVICES AND INTENSIVE PROGRAMS: ACCELERATED INSTRUCTION

This local policy has been recoded from EHBC(LOCAL) to align with EHBCA(LEGAL) created in Update 121. HB 1416 made several changes to the requirements for accelerated instruction. Recommended changes to this local policy reflect that a parent's ability to request a particular teacher after a student fails to perform satisfactorily on a state assessment is no longer limited to students in grades 3, 5, and 8. Other changes delete references to the accelerated learning committee, which has been eliminated. A district now must develop an accelerated learning plan for certain students, and parents still may file a complaint about the plan in accordance with FNG.

EIC(LOCAL)

ACADEMIC ACHIEVEMENT: CLASS RANKING

HB 3803 permits parents to elect to have their student repeat a high school course in which the student was enrolled during the previous school year unless the district determines the student has met all requirements for graduation. Absent local policy, TEA guidance provides that the original passing grade must be retained.

Contact your policy consultant for assistance with policy language that reflects the district's option regarding the use of grades from retaken courses in the calculation of class rank and on the transcript.

FEA(LOCAL)

ATTENDANCE: COMPULSORY ATTENDANCE

SB 68 allows a district to excuse a student from attending school for career investigation days to visit a professional's workplace during the student's junior and senior years to determine the student's interest in a career in the professional's field. Districts that choose to excuse students for absences to visit a professional's workplace to explore a career in that professional's field must adopt a policy to determine when an absence will be excused for this purpose and a procedure to verify the visit. A new provision offered for the board's consideration at Career Investigation permits such absences for the maximum amount allowed in law — up to two days during a student's junior year and up to two days during the student's se-

The [Legal Issues in Update 122](#) memo describes common legal concerns and best practices specific to this policy's topic.

FFAC(LOCAL)

WELLNESS AND HEALTH SERVICES: MEDICAL TREATMENT

Recommended revisions to the provisions on opioid antagonists are based on SB 629, which requires a district to have at least one person who is authorized and trained to administer the medication present during regular school hours on each campus that serves grades 6 through 12. The district's current language does not limit administration of the opioid antagonist medication to specific grade levels or campuses; therefore, the revisions state that the provision will be applicable to every campus. If the district wishes to implement this policy only for campuses with certain grade levels, contact the district's policy consultant for appropriate adjustments.

The [Legal Issues in Update 122](#) memo describes common legal concerns and best practices specific to this policy's topic.

FFB(LOCAL)

STUDENT WELFARE: CRISIS INTERVENTION

Recommended revisions to this local policy on crisis intervention include the following:

- In accordance with HB 3, provisions have been added at Student Reports to require each campus to establish a clear procedure for students to report concerning behavior by another student.
- Revisions at Employee Confidentiality are based on SB 1720 and allow employees who report a potential threat to elect to keep their identities confidential.

FL(LOCAL)

STUDENT RECORDS

HB 1416 repeals provisions related to accelerated learning committees. The references to the accelerated learning committee have been replaced with references to the accelerated education plan that now must be created for certain students who fail to perform satisfactorily on state assessments.

The [Legal Issues in Update 122](#) memo describes common legal concerns and best practices specific to this policy's topic.

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue, bold font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

Personnel Duties

The Superintendent shall define the qualifications, duties, and responsibilities of all positions and shall ensure that job descriptions are current and accessible to employees and supervisors.

Superintendent's Authority Regarding Transfers and Reassignments

In accordance with DK(LOCAL) and notwithstanding the provisions addressing assignment and posting vacancies below, the Superintendent may appoint an employee to fill any vacant position, whether newly budgeted or currently existing, by a lateral transfer or reassignment when the employee's current position and the vacant position are of equal pay grade or level and require the same number of working days.

Posting Vacancies

The guidelines that follow for advertising employment opportunities and posting notices of vacancies shall advance the Board's commitment to equal opportunity employment and to recruiting well-qualified candidates. Current District employees are eligible to apply for any vacancy.

The continuing need to improve the educational quality of the District makes it imperative that the best qualified person, as determined by the District, fill each position. [See DC(LEGAL)]

Contractual Vacancies

Subject to the provisions for campus-based administrative positions and Education Code 11.1513, notice of vacancies for contractual positions shall be advertised by posting public notices for not fewer than ten school days. Posting shall be at the District's administrative offices, at each school campus, and on the District's internet website. School employees shall be permitted to apply for any vacancy; however, the needs of the District, as determined by the District, shall prevail over any assignment or reassignment.

4. If the vacancy is for the following academic year, the principal(s) shall be authorized to approve a teacher transfer to fill the vacant position pursuant to DK(LOCAL).

From the pool of qualified applicants, the campus or summer school principal may proceed to interview candidates from the pool. If the principal chooses not to make a recommendation from the pool of qualified applicants, the vacancy shall be advertised according to established procedures, and a selection shall be made as detailed in this paragraph.

Paraprofessional /

[For information related to the evaluation of criminal history records, see DBAA.]

Applicant's Former Employment

Except as indicated below, an applicant seeking employment shall not be considered for employment by the District if he or she has been terminated or nonrenewed by any former employer, was asked to resign, resigned due to employee misconduct, has negative references, or has a "do not hire" recommendation from a prior employer or supervisor. The only exceptions that the District may take into consideration are when an employer severed the employment relationship due to:

1. A reason not caused or attributed to any misconduct by the employee, which said reason shall be documented by the previous employer, in writing. In the event that the previous employer does not provide documentation, then third-party documentation (Texas Workforce Commission documentation) shall be considered. Documentation must be provided to the District prior to interviewing/hiring.
2. Lay-off due to the employer's economic conditions.
3. A reduction in force.
4. A termination that occurred prior to the age of 18.

In addition to the exceptions noted above, and only for a position of assistant principal or below, the Superintendent shall have the authority to take other factors into consideration to determine whether the applicant is eligible for hire.

Criminal History Record Check—Applicants

Under authority of the Education Code, the District shall obtain the criminal history record for each applicant for employment with the District who, in the opinion of the District, is a serious candidate and who may be offered a position.

The District shall not issue any applicant a written contract of employment until it has obtained a criminal history record and reviewed it under the guidelines of this policy.

For the purposes of this policy, "conviction" shall include probation, deferred adjudication, a finding of guilt, or acceptance by the court of a plea of guilty or *nolo contendere*.

A person shall not be denied employment solely on the basis of the deferred adjudication. Rather, the underlying facts that led to the deferred adjudication shall be examined prior to any recommendation to employ.

Confidentiality Requirement

Criminal history information is privileged and for the use of the District and the State Board for Educator Certification. No District employee shall release or disclose such information to a person other than the applicant, the legal review committee, or the Superintendent or designee, under penalty of law and/or discharge.

Moral Turpitude

No one convicted of a felony or any misdemeanor involving moral turpitude in the past ten years shall be considered for employment in the District if the nature of the crime is directly related to the duties and responsibilities of the position. Moral turpitude is an act of baseness, vileness, or depravity in the private or social duties outside the accepted standards of decency that shocks the conscience of an ordinary person.

No one currently on probation, including deferred adjudication probation, for any offense shall be considered for employment, unless allowed by the legal review committee, in accordance with provisions below.

Arrests, Indictments, Convictions, and Other Adjudications

Conviction records shall constitute reliable evidence that a person engaged in the conduct alleged because the criminal justice system requires the highest degree of proof ("beyond a reasonable doubt") for a conviction. Therefore, excluding extraordinary circumstances, the District shall treat a conviction as proof of guilt.

Arrest records standing alone shall not be considered reliable evidence that a person has actually committed a crime. However, an arrest record may trigger an inquiry into whether the conduct underlying the arrest occurred and justifies denial of employment or an adverse employment action. The review committee shall examine the surrounding circumstances, offer the employee an opportunity to explain, and, if the employee denies engaging in the conduct, make the follow-up inquiries necessary to evaluate his or her credibility. The review committee is not required to conduct an informal trial or an extensive investigation to determine the employee's guilt or innocence. However, the review committee shall make simple inquiries that could shed light on the likelihood of the individual's guilt in committing the underlying offense.

Deferred adjudication involves an individual entering a plea of guilty or no contest, which the court finds to be substantiated by evidence of guilt. A grant of deferred adjudication shall be viewed as more indicative of a conviction. The review committee shall make inquiries into evidence substantiating guilt similar to the inquiries made when an arrest is reported.

Not guilty adjudications and withdrawn or dismissed charges indicate that a court, a jury, or a law enforcement authority did not have sufficient proof beyond a reasonable doubt, which may or may not be indicative of guilt. The employee shall be asked to explain, in writing, the circumstances and must provide a certified copy of the court paperwork showing the final disposition of every charge. The review committee may make additional inquiries into evidence substantiating guilt.

Felony

A felony is an offense designated as such in the Texas Penal Code. If the employee was convicted of a felony, the District must determine if the underlying offense relates to the duties and responsibilities of the position or if the conviction was for a non-reviewable felony. An employee may continue to be eligible for employment in the District if a felony conviction does not relate to the duties and responsibilities of the employee's position and was not for a non-reviewable offense. If a felony conviction does relate to the duties and responsibilities of the employee's position, then the review committee must consider the likelihood of recurrence of the employee's criminal behavior. A determination by the review committee that the employee's behavior shall not recur makes the employee eligible for continued employment; a finding to the contrary makes the employee ineligible for continued employment.

Class A and Class B Misdemeanors

Class A and Class B misdemeanors are those offenses designated as such in the Texas Penal Code. An employee may be eligible for continued employment if the conviction for a Class A or Class B misdemeanor is not related to duties and responsibilities of the employee's position. If the conviction does relate to the duties and responsibilities of the employee's position, the employee is ineligible for continued employment in the District if the review committee determines there is a high degree of likelihood for the recurrence of the behavior.

Class C Misdemeanor

Class C misdemeanors are those offenses designated as such in the Texas Penal Code. The District shall not employ anyone convicted of a Class C misdemeanor involving moral turpitude if the nature of the crime is directly related to the duties and responsibilities of the projected position. If convicted of a Class C misdemeanor that does not involve moral turpitude, the employee is ineligible for continued employment in the District if the review

committee determines there is a high degree of likelihood for recurrence of the behavior and if the nature of the crime is directly related to the duties and responsibilities of the projected position.

Multiple Offenses

An employee with multiple offenses that individually do not make him or her ineligible for employment may be deemed ineligible for continued employment when repetitious criminal behavior indicates a high degree of likelihood for recurrence of the behavior and if the nature of the crime is directly related to the duties and responsibilities of the projected position.

Unlisted Criminal History

If a criminal history record does not list an event reported by the employee, he or she shall be asked to explain, in writing, the circumstances for each reported incident. A certified copy of pertinent court paperwork showing final disposition of the charge must be included. The review committee may make additional inquiries.

Nondisclosure

In accordance with state law, an employee who has successfully completed a deferred adjudication and who has succeeded in having the criminal court grant an order of nondisclosure may thereafter deny the occurrence of the arrest and prosecution.

Juvenile Record

An employee shall not be asked to disclose the contents of confidential juvenile records unless the employee was adjudicated as an adult.

Legal Review Committee

The application of a person who has a criminal record that would preclude employment with the District using the criteria listed above shall be reviewed by the legal review committee as established by the District's human resources department. The school attorney shall serve in an advisory capacity.

Governing Criteria for Employment Decisions

In determining whether or not to recommend a waiver of the criminal history restrictions to employment, the legal review committee shall consider the following:

1. The relationship and seriousness of the crime.
2. The nature of the crime.
3. The nature of the job position.
4. The extent to which employment might offer an opportunity to engage in further criminal activity of the same type as that in which the person had previously been involved.
5. The relationship of the crime to the ability, capacity, or fitness required to perform the duties and the responsibilities of the position with the District.

6. The age of the person at the time of the commission of the crime.
7. The time elapsed since the person's last criminal activity.
8. The evidence of the person's rehabilitation or rehabilitative effort while incarcerated or following release.
9. If the person holds a professional license, the results of any action taken by the licensing authority.
10. The other evidence of the person's present fitness, including letters of recommendation from prosecutors, law enforcement or correctional officers involved in the prosecution, arrest, or custody of the person; law enforcement officers in the community where the person resides or any other persons in contact with the convicted person.
11. The individual's patterns of habitual criminal activity.
12. The publicity surrounding the actual crime.
13. The person's clear and present danger to other staff, students, or the general public.
14. Probable guilt or innocence.
15. The accuracy of the information the employee provided to the District.
16. The potential impact of the conduct on the educational environment.
17. Any extenuating circumstances.

Recommendation

If, after applying the criteria outlined above, the legal review committee believes that the applicant should be considered for employment, the committee shall jointly sign a recommendation to the Superintendent or designee that such applicant is eligible for hire.

Superintendent's Decision

If the Superintendent approves the recommendation, the applicant shall be considered eligible for hire.

Failure to Disclose Information on Application

An applicant shall not be employed by the District if he or she fails to disclose information on the employment application or during questioning regarding any arrest, criminal conviction, crime, deferred adjudication, or similar type of decree, or if he or she misrepresents any information regarding such arrest, criminal conviction, crime, deferred adjudication, or similar type of decree.

**Criminal History
Background Check—
Employees**

At least once annually, the District shall obtain criminal history records of Webb County and the counties contiguous to Webb County. The District may obtain this information from any other county when it has reason to believe that an employee has been convicted of a crime related to the employee's duties and responsibilities.

The District may suspend or terminate the employment of any person convicted of a felony or misdemeanor if the crime directly relates to the duties and responsibilities of the individual.

**Penalties for Failing
to Disclose Criminal
Information**

The legal review committee shall assess the records of employees found to have criminal records that would bar them from employment with the District. The committee shall use the following guidelines to determine if an employee should be recommended for termination based on his or her criminal record:

1. The omission by the employee to not disclose a prior criminal conviction that would bar him or her from employment when requested at the time of employment shall be presumed to be intentional. The District however, shall have the burden of proof.
2. If the employee was not asked to divulge any previous convictions as a prerequisite to employment, a recommendation for termination shall be based on the same criteria as required for applicants.
3. If a conviction involving a felony or misdemeanor involving moral turpitude is discovered subsequent to employment, a recommendation for termination shall be based on the same criteria as required for applicants as found above.

An employee shall notify the District's human resources office within three calendar days if he or she is arrested, indicted, convicted, pleads no contest, enters a guilty plea, or is granted other adjudication for any criminal offense. This notification shall be made in writing to the human resources office. Failure to make such notification may result in termination of employment.

Any employee placed on deferred adjudication may be recommended for termination based upon the underlying facts that led to the deferred adjudication. For the purposes of any termination hearing, the facts to which the individual pleaded in order to obtain the deferred adjudication shall be presumed to exist and be true and correct.

EMPLOYMENT PRACTICES

DC
(LOCAL)

The District may suspend or terminate the employment of any person convicted of a felony or misdemeanor if the crime directly relates to the duties and responsibilities of the individual or directly relates to or adversely affects the mission of the District.

An employee under felony indictment that adversely affects the mission of the District shall be recommended for suspension without pay pending adjudication of his or her case.

After notification of a proposed suspension without pay or employment termination, a contract employee may request a hearing in accordance with the DF series.

**Employment of
Contractual
Personnel**

The Board retains final authority for employment of contractual personnel in the position of principal, director, or above.

The Board delegates to the Superintendent final authority for employment of all other contractual personnel. If the Board rejects the Superintendent's recommendation for contractual personnel, the Superintendent shall make alternative recommendations for the Board's consideration at the next regular Board meeting, unless otherwise directed by the Board.

Noncontractual
Personnel**

Note: For employment of a bus driver related to a Board member or the Superintendent, see DBE(LEGAL).

The Board delegates to the Superintendent final authority to employ and dismiss noncontractual employees on an at-will basis.
[See DCD]

**Employment
Assistance
Prohibited**

No District employee shall assist another employee of the District or of any school district in obtaining a new job if the employee knows, or has probable cause to believe, that the other employee engaged in sexual misconduct regarding a minor or student in violation of the law. Routine transmission of an administrative or personnel file does not violate this prohibition. [See CJ for prohibitions relating to contractors and agents and DH(EXHIBIT) for the Educators' Code of Ethics.]

**District Supervision
Prohibition**

No person shall be assigned to a campus or department where a member of his or her own family who is related by blood (consanguinity) within the third degree, or by marriage (affinity) within the second degree serves as an administrator. The provision of this policy shall apply prospectively. [See DBE] Adopted or foster relationships shall be treated as natural relationships. For the purposes

of this policy, the term "administrator" shall not mean school counselor, librarian, or coordinator.

**Exit Interviews and
Exit Reports**

An exit interview shall be conducted, if possible, and an exit report shall be prepared for every employee who leaves employment with the District.

**Dyslexia and Related
Disorders**

The District shall comply with all rules and standards adopted by the State Board of Education and guidance published by the commissioner of education to implement the program to test students for dyslexia and related disorders.

In accordance with administrative procedures, the District shall provide regular training opportunities for teachers of students with dyslexia that include new research and practices for educating students with dyslexia.
