Allocation and Use of Contingency Funds:

The SFB staff was authorized to approve up to \$0 in Contingency Funds for unexpected conditions. This money is not part of the SFB funding awarded to the district and the district must obtain prior written approval from the SFB staff for any services and/or materials that will be paid for by the contingency funds. Unauthorized expenditures will not be paid for with SFB funds. See Allocation and Use of Contingency Funds, A. A. C. R7-6-601.

This award is subject to the policies for the Building Renewal Grant Fund established by the School Facilities Board and found on the SFB's website under Board Information/Policies and Opinions/SFB Policy Book/Section IX Building Renewal Grant Funding. For procurement, you should also refer to the attached Procurement Decision Matrix. Any award based on an estimate

is subject to SFB staff approval of the procurement process and award of the bid or quote, as applicable, prior to distribution of funds to the district.

The initial Terms and Conditions for this project will remain in effect; in addition, please sign and return the attached amendment to the Terms and Conditions. Supplemental funding will become available once the properly executed amendment is received in our office. If you have any questions, please feel free to contact the liaison for this project, Carlos Monreal, at 602-364-4977.

Sincerely,

Paul Bakalis
