Spotlight On:

Kristin Mundt

Kristin is an ERC Education Assistant here at LBMS, and this is her 2nd year. She came to CJ in 1994, during her 7th grade year from Albuquerque, NM., graduated from IVHS in 2000, then attended SOU. She's married, and has been with her husband for 19 years. They have 3 kids, two of which attend Lorna Byrne. Kristin volunteers her time to programs like IV Youth Wrestling Club. She really enjoys working here with all the kids. She says, "I started here in the valley as a Viking, & now I get to be a Viking again, it's so cool!!!"

LBMS is very pleased this year to welcome Miss Amanda Hunt to the family as the 7th and 8th grade math teacher. She is originally from Roseburg, where she grew up raising pigs and learning to walk on her hands! In her time away from LBMS she likes to hike, go camping and wakeboarding, bowl, watch movies, and do math for fun (umm...OK.) She is also hard at work completing her Master's Degree, so that she can share even more knowledge with the kids in her classes. She's a big fan of shopping...at Home Depot! She also drove a Tuff Truck last Spring...It's easy to see that Miss Hunt is indeed a well rounded young lady, and we're super stoked to have her on board

Her message to LBMS students and families is this:

"I'm very excited to continue this year at LBMS! I love math and love teaching it! I'm always just a short email away and want to see every kid succeed. I got my passion for math and school from my high school math teacher; he was truly an inspiration to so many students. My goal is to inspire students to want to learn and enjoy being in my class every day!"

*Welcome aboard, Miss Hunt!
 Thanks for all you do!!*

InTouch

InTouch is used to send out important messages about school closures and school events. When you get an automated call from LBMS using this program, it is important to say "Hello" as this triggers the message to start. If you have voicemail, it will leave a message. Please listen to the message in it's entirety, then call the school for any unanswered questions. If you have an email on file with LBMS, we often send emails as well. InTouch is also used for attendance calls. If your student has been marked absent in any class, the system will call you to make you aware of this absence. Please listen to the message in it's entirety before calling the school
