Subject: Substitute Eligibility Roster 2018-2019

Description: The substitute list is generated from our Personnel Management System and shows all eligible substitute teachers and temporary substitutes.

To provide substitutes for our schools, we will sponsor one teacher workshop per year (August) and utilize a taping of the sub workshop to generate more classroom subs. Right to Know Workshops for Custodian and Food Service substitutes, Food Handlers Workshop for Food Service Workers and assistant in obtaining CDLs for Bus Drivers are also provided. Those who complete the training, paperwork, TB test, background check, drug & alcohol testing are added to the list. Some who sign up, however, choose not to substitute or find regular jobs. In order to maintain the list, the Personnel Department has sent notices to all who were on the list requesting they return the notice if they wished to continue on our substitute list. The attached list indicates those that have returned the notice requesting to remain on the substitute list. We will be updating our list from time to time as new substitutes become eligible. Substitutes are paid according to the Temporary Compensation Plan. Adopted by the Board of Trustees.

Funding Source (Budget/grant, etc.): Salaries, benefits, and payroll costs to be charged against budgets for respective building/department/program/grant as applicable.
