ALIGNS TO BOARD GOAL(S): ALL

Report Information:

A. Personal Note

I would like to personally thank the community for all the kindnesses shown to my family after my Dad's passing on October 2nd. At the visitation, a very large percentage of the flowers and plants were from my new friends in Aledo ISD and from members of the community.

I also appreciate the many acts of kindness, cards and gifts sent our way after the services.

My dad, Hack Citty, was a school guy through-and-through. But, he was also very involved with his community and his church. While he never was able to come and visit here, I know he would have loved the community and been proud for Marla and I to be part of it.

B. Texas Education Human Resources Day

Gov. Rick Perry has proclaimed Oct. 12, 2011, to be the second Texas Education Human Resources Day. The Texas Association of School Personnel Administrators (TASPA) initiated the effort to recognize the important contributions made by human resource staff to public education.

At the time of this Board meeting this date will have passed. But, please join me in celebrating the work of Deputy Superintendent Lynn McKinney and Administrative Assistant Millie Smith who work hard every day to fill the district's personnel needs.

C. Texas Principal's Month

Texas Governor Rick Perry has proclaimed October 2013 as "Principals Month" in Texas. As you know, school leadership is vital to the success of all students. As such, we want to honor Aledo ISD principals and assistant principals for their leadership, dedication and enthusiasm in their respective schools.

Please join me in congratulating these outstanding leaders during the month of October for their positive contributions toward student achievement in Aledo ISD and in Texas.
