### **School Improvement**

Our principal will be attending a virtual conference on RTI/MTSS in January, in line with our goal of supporting student academic success through MTSS. PACE MTSS meetings continue monthly.

MAP testing finished last week, and our DIBELS testing window just closed Friday, January 19. PACE staff continue to meet monthly to review school goals, further expand curriculum options, and develop ways to help our students and families.

### **Other**

End of semester is Friday, January 26. All second quarter grades and work samples are due.
