
PROPOSED SCHOOL BOARD GOALS
2012-13

Strategic Plan/Individual Student Growth

By December 2012, the Board shall agree with the Superintendent on a set of individual growth targets and a schedule by which to measure progress on the Strategic Plan's goal regarding student achievement.

Community Outreach

1. Evaluate and support compliance with the new Community Engagement policies, including the school-based CEC responsibilities regarding community partnerships and volunteerism.
2. Reconfirm the Board's standing committee on community engagement, which shall prioritize and propose action items for the 2012-13 school year.
3. Meet Board performance standards with regard to school visits, with special attention to the effects of budget reductions. Shared and discuss information at the _____ work session.

Funding

1. Advocate for stable and adequate statewide funding for education. Meet with local legislators to discuss recent and future budget consequences.
2. Explore options for district-wide supplemental funding; determine best option(s) and timing.
3. Review policy and practice regarding school-based fundraising.

Board Development

Reconfirm the Board's standing committee on board development, which shall prioritize and propose action items for the 2012-13 school year.
