MISD Employees of December 2025

Millsap Elementary School – Ms. Chelsey Bullock (2nd Grade)

Mrs. Bullock is an amazing 2nd grade teacher who gives her all every single day. As a first-year teacher, she's taking on a lot—learning a new curriculum, building strong relationships with her students, and working through an alternative certification program that requires extra time, effort, and observations. No matter how busy things get, she always shows up with a positive attitude and high expectations for her students. Every time I step into her classroom, she is teaching her heart out and doing whatever it takes to help her students succeed. We are so lucky to have her on our team and are excited to recognize her as Staff Member of the Month.

Millsap Middle School – Mrs. Karla Stewart (Paraprofessional)

We are proud to recognize Karla Stewart as our Employee of the Month for her unwavering dedication and willingness to do whatever it takes to keep our campus running smoothly. While her primary role is serving as a special education inclusion aide, she consistently goes above and beyond that title, supporting the front office, keeping the library organized, and stepping in wherever help is needed. She has also taken the time to train and mentor our new paraprofessionals, always with patience and a positive attitude. Her flexibility, strong work ethic, and genuine joy in serving others make her an absolute pleasure to work with and an invaluable member of our team.

January 19th Board Recognitions

Millsap High School- Mrs. Rachel Stull (ELAR)

Rachel goes above and beyond for our Bulldogs every single day! One colleague shared, "Rachel has taken on several of my students this semester into already filled classes just so they could transition from TSI to Honors English 4 – all while managing her full teaching load. I truly appreciate her!"

Another staff member said, "Mrs. Stull meets every single student where they are and makes sure they have every opportunity to succeed!"

Students love Mrs. Stull because they know she genuinely cares. Her dedication to building meaningful relationships leads to exceptional classroom management and outstanding student engagement.

Thank you, Mrs. Stull, for making MHS a place where every student can thrive!

Millsap ISD District Staff- Mr. Clint Carroll (MISD Transportation) – December

I am pleased to nominate Clint Carroll for Employee of the Month. Clint is exceptionally knowledgeable regarding state laws and compliance requirements for school buses, and he takes the safety of our students very seriously. His attention to detail and commitment to ensuring our fleet meets all safety standards make a significant impact on our transportation operations.

In addition, Clint is very mindful of the department budget. He consistently researches parts and supplies to ensure we receive the best pricing without sacrificing quality. He is always willing to step in wherever needed and does whatever he can to help keep the department running smoothly and efficiently.

Millsap ISD is fortunate to have such an experienced diesel mechanic. Clint takes great pride in his work, and his dedication, professionalism, and teamwork make him truly deserving of this recognition.

January 19th Board Recognitions

Millsap ISD District Staff- Mr. Chance McMinn (MISD Maintenance) – November

Resoundingly, we are selecting Chance McMinn as the maintenance employee of the month. Chance continues to quickly tackle work orders and get them done in a professional manner. When he is not handling work orders he is mowing, weed-eating, picking up trash, or working on some long-term projects. He is a self-starter that sets a great example for others and is a huge asset to the middle school and Millsap ISD in general.

Special Recognition – Millsap Middle School

U.S. News & World Report Recognizes Millsap Middle School Among the 2025 Best Middle Schools

Washington, D.C. – January 2026 – **Millsap Middle School has been ranked No. 335 in Texas, among the 2026 Best Middle School rankings by U.S. News & World Report.**

The rankings include more than 79,000 public elementary and middle schools across the country.

Schools are ranked at the state and district level, with Best Charter Schools ranked as a stand-alone category.

Millsap Middle placed #335 statewide out of 1890 schools ranked in Texas.
