***The district scheduled an early release day on the 2010-2011 calendar for December 17, 2010. Unfortunately, attendance was affected due to the early release. The rationale for the early release was to allow teachers to close out the first semester (grades, new schedules, classroom preparation, lesson plans, etc.) prior to the holiday break. In the future, the District will not recommend early release days due to the negative impact. The District communicated with parents about the importance of attendance on this last day.**
