

Notice of Assignment

At - Will Employee

Summer School Grounds Maintenance and Building Maintenance

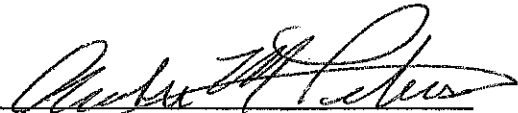

Date: February 22, 2023

To: Amber Peterson and Colyn Peterson

From: South Koochiching/Rainy River ISD #363

1. The basic assignment associated with this at-will position is to provide assistance to the individual(s) responsible for the maintenance of the school grounds and general upkeep of the school buildings. Work associated with this position shall include but not be limited to mowing, and trimming the school grounds, and cleaning, and painting in the school building during the summer months. Work shall be limited to no more than a combined 24 hours per week between the two employees, unless there is prior administrative approval for additional time.
2. Amber Peterson and Colyn Peterson will need to use the Time Clock Plus program to clock in. An hourly wage at the rate of \$15.00 per hour worked will be paid to Amber Peterson and/or Colyn Peterson. There are no additional benefits associated with this position.
3. This is an at-will assignment and not subject to the terms of any bargaining agreement.
3. Modifications or adjustments in the above assignment and compensation can be made by School District directive.

I hereby agree to the above assignment.
