wrapped up with great success and even greater memories. A special congratulations to our JV Girls Volleyball Team for going undefeated this season—what an accomplishment! With the end of the first quarter on October 31, we are officially moving into second quarter and building on the

As we move into November, I want to thank you for your continued support of Fleming Middle

School. We are proud to share that our enrollment has grown once again—this year we have

students, especially Sports History, Astronomy, Choir, and Engineering & Design. Fall sports

As we move forward, I am asking for your partnership in supporting our school expectations. Recently, we have addressed some behavior concerns with students that need immediate improvement. Specifically, we are seeing an increase in students talking back or being disrespectful to staff and peers, as well as unnecessary physical contact—especially among some 6th and 7th grade boys who are roughhousing in the hallways and during transitions. Please take a moment to speak with your student about showing respect, using appropriate language, and keeping hands to themselves at all times. The good news is that our students are doing an excellent job coming to class prepared and ready to learn. Many are taking positive steps by advocating for themselves, asking for help, and working hard to improve their grades. Our teachers are working hard, our students are working hard, and the year is off to a strong start. Thank you for partnering with us to

make Fleming a safe, respectful, and successful place for all students. Mr. Miller, Principal Fleming Athletics finished a great fall sports season. Thank you to all of our amazing coaches! Boys Basketball begins October 20th. Check the Athletics tab

Girls Basketball and Wrestling registration is now open. Registration is through ParentVue. First day of practice for both girls basketball and wrestling is January 5, 2026. Athletes need a sports physical in the office BEFORE they step on the mat / court.

(Registration cannot be done on a cell phone)
