

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** October 23, 2023

**AGENDA ITEM:** New Attendance Zones Planning Process

**PRESENTER:** Susan Bohn, Superintendent

### **BACKGROUND INFORMATION:**

In May 2023, Aledo ISD voters approved the 2023 Bond Program, which includes the construction of one new elementary school (Elementary School #7, Lynn McKinney Elementary School). Lynn McKinney Elementary School will open in August 2024.

The addition of the new school necessitates that the District's current elementary school attendance zones be redrawn.

The Administration and Board will discuss the process for creating new attendance zones, which is expected to include a committee of community members that is charged by the Board to analyze district data regarding projected student growth and recommend new attendance zones to the Board for approval in the spring of 2024.

The Administration expects to seek approval from the Board of Trustees of the purpose and charge of the community committee at an upcoming Board meeting, and following the community application process that will conclude in early December, the Administration will seek Board approval of the committee members so they may begin work early in the Spring semester.
