Memorandum Item 9f

FOR: School Board Members
FROM: Chris Reitan
DATE: September 21, 2022
SUBJECT: CCSD Strategic Plan Vision and Mission

On Tuesday, September 13, 2022 and Wednesday, September 14, 2022 the Association of Alaska School Boards (AASB) facilitated meetings to begin the development of an updated strategic plan for CCSD. Our work on September 13 and 14 focused on redefining the district's Vision, Mission and Goals. The team reviewed and edited the Vision and Mission statements.

CCSD is extremely grateful for our PEACE Health, SEARHC, City of Craig, USFS, and CTA community members for engaging in these meetings and supporting this work. CCSD is also extremely grateful for our parents and staff members who also attended and supported this work. Tiffany Jackson from the Association of Alaska School Boards was a fantastic facilitator and really helped CCSD and our community to lay a foundation for the development of the district's strategic plan that will capture the needs and interests of our entire community and provide a solid guide for district operations.

Suggested Motion: Move to adopt the new Vision and Mission statements to read as follows:

Vision:

Our students will be compassionate, resilient, self-sufficient, engaged members of their community.

Mission:

CCSD will establish a community of learning that empowers the whole child to embrace life-long learning & a growth mindset”
