FROM: Moss Strong, HMS Principal
DATE: November 2020
RE: Board of Trustees Report

Enrollment Total 404

5th- 88
6th- 98
7th- 106
8th- 112

Student/Staff Illness

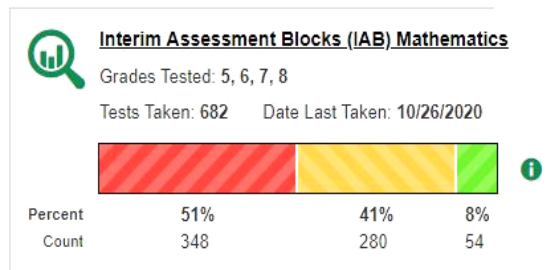

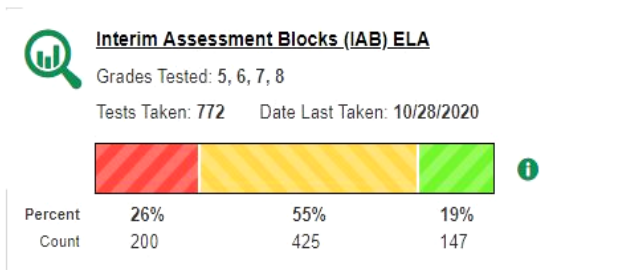

We continue to average about 20 students out daily with illness. We have seen an increase in the number of students coming to school sick and us needing to send them home. We have had a few cases of positive staff. Some of our staff are high risk or live with a high risk family member and with the increase in numbers in the treasure valley, some staff will be requiring students to mask up while in their class to keep them as safe as possible. As the weather gets colder during lunches, students will be asked to wear a mask if they make the choice to stay inside. We are doing our best to make sure students are moving every 15 minutes to limit the amount of contact in order to be preventative.

Red Ribbon Week

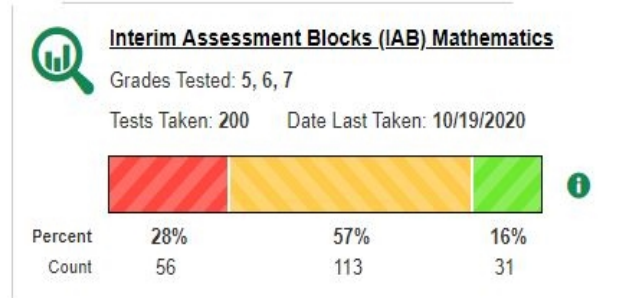

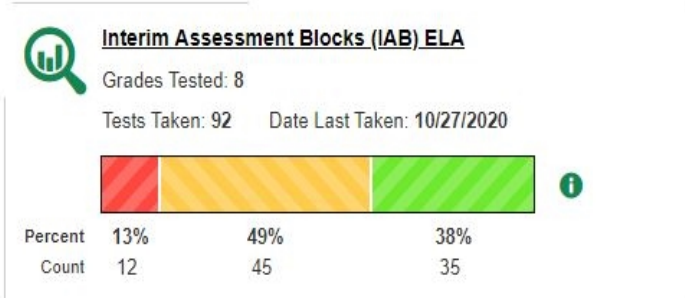

Our school participated in Red Ribbon week, a drug awareness week. Students and staff participated in spirit days and there were daily messages read during announcements.

Parent Teacher Conferences

The feedback from parents who attended PT conferences with the focus on helping students who were not doing well academically was very positive from our parents who attended. We saw 98% of the parents who we set an appointment with.
