2. OLD BUSINESS
 - a. Budget has been approved and at this point we are planning on updating the 8th grade computer lab. We have roughly \$41,000.00. Lab is in, and it's awesome! We have 30 Chrome Bases in the 8th grade lab. The screens are big and act like two screens. Students can have two documents side by side. We are waiting for WiFi access. Our district as a whole is experiencing low ADM. The NV area is experiencing a high ADM. State funds are based on the extended ADM. Next year's numbers are expected to be lower district wide, meaning our funds could be less even though our numbers might be higher here at Fleming. We are hoping to hire another teacher for our 6th grade.
