**Related goal(s):** Optimize academic achievement for each student

**Currently budgeted?** Yes ☒ No ☐ **Budgetary impact**

**Action** ☒ **Report** ☐

**Primary Contact Person:** Dr. Cathy Rideout/  
Ed Burns

As required by legislation, campus attendance committees are to be approved by the board of trustees each year.

These committees, the majority of which are teachers, will determine whether class credit should be granted to a student if he/she has not been in attendance at least 90% of the days the class is offered.

Listed on the following pages are the proposed committees for each campus.
