Date

Non-Profit/Community Service Learning Site Application

If submitting an application for a place of worship, the service activities must provide a service that extends beyond serving members (e.g., setting up for a service). The activity must serve the community at large and not just the members of the place of worship.

Academics Plus Charter Schools, Inc.

9:30 a.m.-12:00 noon on 4th Thursday each month

Staffing/Number of Employees *

0

Number of Volunteers *

10

Identify the non-profit/community organization personnel who will supervise student volunteers. *

David Hoover and Pastor Chris Wright

Does your organization maintain liability insurance for volunteers? *

Yes ▼

Do staff members or volunteers who would be working directly with students undergo background checks? *

Yes ▼

If no, provide details of your procedures and policies to ensure the safety of student volunteers. *

Untitled Section

Does your organization have sites at other locations? *

No ▼

If yes, where? *

What is the mission of your organization? *

To supply USDA commodities and other food items to low income Prairie County residents

What service(s) does your non-profit/community organization provide? *

Distribution of food items and help in applying for SNAP benefits

Describe the volunteer activities students would participate in with your organization. Be specific. For example, write, "stock and organize cans in food pantry for community members" instead of "help in food pantry." *

Pack boxes of donated food items in boxes for distribution and loading those boxes into patron vehicles.

Curriculum Connections

The activities that students complete may connect to what they're learning in school. Select the curriculum connections that your organization may reinforce. Select all that apply. (Adapted from the Maryland Student Service Alliance)
